Letter no 745 dated 12th April 1899 from the Principal Central College, Bangalore

---

No travelling allowances are fixed for the Principals of the Central and the Maharaja's Colleges

In the Proceedings passed in the Education Department (no 309-10 dated 28th February 1892) Mr Cook was allowed to draw actual expenses incurred by him for attending important meetings of the Senate of the Madras University Now that the Principal of the Maharaja's College is also a Fellow of the University, Mr Cook desires that a Good order be passed sanctioning travelling allowances for the Principals of the said two Colleges at the rate laid down

in

in article 522(a) viz double the First Class fare to and from Madras, and batta at Rs 5/- per diem for their stay, in lieu of the actual expenses, the former being considered convenient

Mr Cook has been placed as a separate Officer outside the graded list of Educational Officers and Mr Weir Principal of the Maharaja's College at Mysore belongs to Class A I

The Salary of the former (Mr Cook) is

Allowance as Director of Meteorology } Rs 100
Total Rs 1550

and that of Mr Weir is

Pay Rs 900 rising to Rs 1000
Personal allowance Rs 200
Total Rs 1100

The travelling allowance and daily batta admissible

(3)

to Mr Bhabha Inspector General of Education, whose pay is Rs 120 are

This is a very reasonable request. Mr Fraser does not claim daily batta at the enhanced rate of 7/12 Rs allowed to Provincial officers. All that he asks for is to be allowed to draw first class fare & a daily batta of 5 Rs, which is the actual travelling expenses which batta is in all probability meant to cover. This should be sanctioned

I think there is some thing said on the question about Ld Ellenborough's resigning with Mr Canning. Perry to look the Journal & send me word.

No 745

Bangalore 12 april 1899

To

The Secretary to Government
General & Revenue Departments

Sir

With reference to Government Order no 309-10 dated 28 Feb / 7 March 1892, sanctioning payment to me as Principal of the Central College, Bangalore of the actual expenses incurred for the purpose of attending important meetings of the Senate of the Madras University I have the honor to inform that after my recent visit to attend the Convocation of the Madras University for presentation of graduates on the 24 March last I forwarded a bill

to the Comptroller of travelling
charges calculated at the usual
rate laid down in article 522(a)
of the Imperial Service Regulations
by double first class fare to Madras
and back but without any charge
for batta, as I was not sure
what allowance for batta should
be charged and I found that
the double first-class fare nearly
covered my actual expenditure

At the time I forwarded
this I no reference could be found
to the Government Order quoted
above but it has since been found
and I now write to point out
the inconvenience of submitting
a bill of all actual charges incurred
as it would necessitate forwarding
as vouchers hotel bills, carriage bills,
and particulars of many petty
charges such as for coolies, dinner
at Arkonam &c for which there
are no vouchers and as the

following

following statement will show the charge to Government will even less calculated at the ordinary rate as in article 522 of Imperial Service Regulations

Thus double first-class fare from Bangalore to Madras and back equals ~~to~~ 2 × Rs 27-8-0 = Rs 55. On the other hand actual charge for attendance at one meeting of the Senate, (which will necessitate a stay of 2 days at Madras as the meetings are held too late to return on the evening of the day of arrival at Madras, ~~to first~~ hotel charges, carriage hire for 2 days will have to be met,) ~~bills~~ will be as follows -

First class fare to Madras & backs	Rs	27-8-0
3rd class fare for 1 servant - do	Rs	5-12-0
Sundries for Coolie hire &c	Re	1-0-0
Hotel bill for 2 days, at least	Rs	13-0-0
carriage hire " " "	Rs	8-0-0
dinner at Arkonam	Rs	2-0-0
Total	Rs	57-4-0

Again

Again if there were 5 two meetings
of Senate on successive afternoons
then carriage hire and hotel charge
for a third day would be incurred
which together would be not less
than Rs 10/- so that the whole
actual outlay for a three days
visit to Madras will amount to
at the very least Rs 67-4-0 and
with sundry incidental presents
to hotel servants, refreshments &c
never less than Rs 70/-

As the Principal of the Maharaja's
College, Mysore, is now also a Fellow
of the University I have the honor
to suggest that it would be less
troublesome and more dignified
if a general Government Order
were passed sanctioning for the
Principals of the Central College and the
Maharaja's College as Fellows of
the Madras University travelling charges
to attend
important meetings of the Senate
at the rate laid down in Article
522 (a) of the Mysore Service Regulations

Yrs

my double first class Railway fare to and from Madras and batta at Rs 5/- for each day or whilst - meeting of the Senate - attended, if there be more than one meeting

I have the honourable
